### Association of Domestic Tour Operators of India (ADTOI) (National Body of Domestic Tour Operators)

#### FOREWORD

We at ADTOI are very much excited once again about the 30th edition of SATTE that will be happening at India Expo Mart, Greater Noida, Delhi-NCR from 9–11 February 2023. The Industry that saw its worst era during pandemic is now surging ahead to make up the losses suffered. SATTE acts as a catalyst and provides the much needed resources to boost tourism in both domestic and international in the country. Domestic Tourism due its very nature caught up very fast and grew all over the country and is now on pre-COVID level or even more. Most of the destinations are witnessing highest footfalls of tourists and some destinations have changed its seasonal nature to year round destinations now. New products, new destinations, expanding and better connectivity, infrastructure, transformation of tourist destinations etc. have given huge thrust to the growth of domestic tourism in the country.

SATTE 2023 will provide glimpses of what are things available to tourists within and outside the country through its exhibitors who put up their show for the buyers to see and do business. SATTE brings stakeholders of the industry from all parts of the country and abroad. Thousands of visitors will be in attendance to the show all the three days making the Travel & Tourism Exchange as one of the biggest show in South Asia. I on behalf of ADTOI congratulate the Organisers of SATTE for organizing such a successful event every year to benefit the people engaged in the Tourism industry that has a multiplier effect on the economy.

As an Association Partner ADTOI wishes SATTE 2023 greater success to the event this year specially during this G20 Presidency year.

SATTE, since inception, has given the tourism industry stakeholders a business opportunity and a meaningful platform to interact with their trade associates from across the globe. The result of exchange of knowledge on products, services, packages, profile, destinations and facilitations has always paved the way in making a strong business sense out of the event. Thus SATTE will show the world that INDIA is ready to welcome tourists with all its Sops in place. The presence of carefully selected Foreign tour operators from across the globe who chum out effective B2B meetings with their Indian Counterparts cater to effective inbound tourism. With the FAM follows, the process of Destination Promotion and Onsite Marketing of Incredible India comes a full circle exhibiting the safety and hygiene protocols that bolster confidence in India. The meaningful inaugural and the well-appointed sessions cater to the intellectual appetite of the discerning trade.
